District Manager

Date of Issuance: 8/11/14

Date Inspection Completed: 07/31/2014

It has been determined that no violation of any standard, rule, order or regulation set forth in Title 8, California Code of Regulations and Division 5 of the California Labor Code has been found as a result of this inspection.

This notice relates solely and exclusively to the inspection on the above date, which was not necessarily a comprehensive inspection of the worksite. Due to the transitory nature of worksite conditions, violations can occur occasionally or routinely and may be undetected by any given inspection. This notice does not preclude the issuance of citations on any future inspection.
